An Avenue Road Arts School Art Exhibit

The Avenue Road Arts School is organizing the 6th annual group show, exhibiting work from faculty and interested adult students. This year the exhibit will take place in a very large and interesting space. W Studios in Toronto is a design house that manufactures artistic and creative rugs, often using original paintings and artwork. This is a fabulous space which provides an engaging forum for artists to display their work and showcase talents.

The show and opening reception will take place on Thursday, June 2nd from 6:30-8:30 pm.
